<sup>1</sup> The rates of the Paul Hastings timekeepers resident in London or Milan have been converted from Pounds (£) or Euros (€) to U.S. Dollars (\$) at the conversion rate effective on the date the monthly statement was issued, i.e., for the October statements (£0.62374 = \$1; €0.72005 = \$1); for the November statements (£0.64183 = \$1; €0.76196 = \$1); for the December statements (£0.64557 = \$1; €0.74789 = \$1); and for the January statements ((£0.62022 = \$1; €0.72472 = \$1). Accordingly, multiple rates are shown for the London and Milan timekeepers.

Also, as provided in the Debtors' application to employ and retain Paul Hastings as special counsel, Paul Hastings' hourly rates were increased during the Compensation Period, effective January 1, 2011, to reflect economic and other conditions. The respective rates charged for each timekeeper are shown here.

**THIRD INTERIM APPLICATION OF PAUL, HASTINGS, JANOFSKY &  
WALKER LLP, SPECIAL COUNSEL TO THE DEBTORS, FOR ALLOWANCE  
OF COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR THE  
PERIOD FROM OCTOBER 1, 2010 THROUGH JANUARY 31, 2011**

TO THE HONORABLE JAMES M. PECK,

UNITED STATES BANKRUPTCY JUDGE:

Paul, Hastings, Janofsky & Walker LLP ("Paul Hastings" or the "Firm"),  
special counsel for the above-captioned debtors and debtors-in-possession (collectively,  
the "Debtors"), for its third application (the "Application"), pursuant to sections 330(a)  
and 331 of title 11, United States Code (the "Bankruptcy Code"), and Rule 2016 of the  
Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), for the interim  
allowance of compensation for professional services performed by Paul Hastings for the

period commencing October 1, 2010 through and including January 31, 2011 (the "Compensation Period"), and for reimbursement of its actual and necessary expenses incurred during the Compensation Period, respectfully represents:

**BACKGROUND**

1. Commencing on September 15, 2008 and periodically thereafter (as applicable, the "Commencement Date"), Lehman Brothers Holdings Inc. ("LBHI") and certain of its subsidiaries commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On September 17, 2008, the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed the statutory committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the "Creditors Committee").

3. On September 19, 2008, a proceeding was commenced under the Securities Investor Protection Act of 1970 ("SIPA") with respect to Lehman Brothers Inc. ("LBI"). A trustee appointed under SIPA is administering LBI's estate.

4. On January 19, 2009, the U.S. Trustee appointed Anton R. Valukas as examiner in the above-captioned chapter 11 cases (the "Examiner") and, by order dated January 20, 2009 [Docket No. 2583], the Court approved the U.S. Trustee's

appointment of the Examiner. The Examiner issued a report of his investigation pursuant to section 1106 of the Bankruptcy Code on March 11, 2010 [Docket No. 7531].

5. On May 26, 2009, the Court entered an order appointing a fee committee (the "Fee Committee") and approving a fee protocol (the "Fee Protocol") to make recommendations with respect to fees and expenses of retained professionals in these chapter 11 cases [Docket No. 3651]. On January 24, 2011, the Court entered an order appointing Richard A. Gitlin as Successor Independent Member of the Fee Committee [Docket No. 14117].

6. On April 14, 2010, the Debtors filed a revised joint chapter 11 plan and disclosure statement [Docket Nos. 8330 and 8332, respectively].

**PAUL HASTINGS AS AN ORDINARY COURSE PROFESSIONAL**

7. Until March 1, 2010, Paul Hastings performed legal services on the Debtors' behalf as a professional utilized in the ordinary course of business ("Ordinary Course Professional") in these chapter 11 cases pursuant to this Court's Order Pursuant to Sections 105(a), 327, 328, and 330 of the Bankruptcy Code Authorizing the Debtors to Employ Professionals Utilized in the Ordinary Course of Business, dated November 5, 2008 [Docket No. 1394] (the "OCP Order"). On October 31, 2008, the Debtors submitted the Notice of Second Amendment to the List of Ordinary Course Professionals (the "Second Amendment") [Docket No. 1326]. The Debtors included Paul Hastings in the Second Amendment as "Litigation and Real Estate Counsel."

8. In accordance with the OCP Order, Paul Hastings provided services to the Debtors and was or will be compensated for those services in the ordinary course of business through the period ending February 28, 2010.

9. The OCP Order prohibits the Debtors' payment of more than \$1 million to any one Ordinary Course Professional during the chapter 11 cases. Under the OCP Order, "in the event payment to any Ordinary Course Professional exceeds \$1 million during the Chapter 11 Period, such Ordinary Course Professional shall be required to file a retention application to be retained as a professional pursuant to sections 327 and 328 of the Bankruptcy Code. . . ."

10. Paul Hastings reached and exceeded the \$1 million compensation cap for Ordinary Course Professionals with its March 2010 fees. Accordingly, on July 23, 2010, the Debtors filed the Application Pursuant to Section 327(e) of the Bankruptcy Code and Rule 2014 of the Federal Rules of Bankruptcy Procedure for Authorization to Employ and Retain Paul, Hastings, Janofsky & Walker LLP, as Special Counsel to the Debtors, *Nunc Pro Tunc* to March 1, 2010 [Docket No. 10401].

11. By order of this Court entered August 10, 2010 (the "Retention Order") [Docket No. 10677], Paul Hastings' retention as special counsel to the Debtors was approved effective as of March 1, 2010. The Retention Order authorized Paul Hastings to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

12. On September 24, 2010, Paul Hastings submitted its first interim fee application for the period from March 1, 2010 through May 31, 2010 [Docket No. 11569]. On November 18, 2010, Paul Hastings submitted its second interim fee application for the period from June 1, 2010 through September 30, 2010 [Docket No. 12889]. This Application is the Firm's third interim fee application and covers the period from October 1, 2010 through January 31, 2011.

13. The Debtors retained Paul Hastings to provide legal advice and services relating to certain real estate and litigation matters.

**COMPENSATION AND REIMBURSEMENT REQUEST**

14. Paul Hastings seeks allowance of interim compensation for professional services rendered to the Debtors during the Compensation Period in the amount of \$511,306.62, and reimbursement of expenses incurred in connection with rendering such services in the amount of \$3,013.94.<sup>2</sup> During the Compensation Period, Paul Hastings' attorneys and paraprofessionals expended a total of 686.90 hours for which compensation is requested. Of the aggregate time expended, 347.80 recorded hours were expended by partners and counsel of Paul Hastings, 302.50 recorded hours were expended by associates, and 36.60 recorded hours were expended by paraprofessionals and other timekeepers of Paul Hastings.

15. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on April 19, 1995 (the "Local Guidelines"), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the "UST Guidelines"), and the Third Amended Order Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) Establishing Procedures for Interim Monthly Compensation and Reimbursement of

---

<sup>2</sup> Paul Hastings represents the Debtors in a variety of matters, including matters in the UK and Milan. To prepare this Application, the Firm converted its London and Milan fees and expenses from Pounds (£) or Euros (€) to U.S. Dollars at the conversion rate effective as of the date the monthly statement was issued.

Expenses of Professionals [Docket No. 4165] (the "Administrative Order," and together with the Local Guidelines and the UST Guidelines, the "Guidelines"). Further, Paul Hastings seeks to comply with the directions provided by the Fee Committee and will provide a copy of this Application to the Fee Committee.

16. For services rendered from October 1, 2010 through and including December 31, 2010, Paul Hastings has received payment in the amount of 80% of fees and 100% of expenses with the following exceptions: in three matters (Condor – 75441.00010, Monet – 75441.00011, and On the Avenue – 77277.00002), Paul Hastings has not received any payment of fees incurred in October 2010. Paul Hastings has received no payment or any promises of payment from any source for services rendered in January 2011. There is no agreement or understanding between Paul Hastings and any other person, other than attorneys and employees of the Firm, for the sharing of compensation to be received for services rendered in these cases.

17. The fees charged by Paul Hastings in these cases are billed in accordance with its existing billing rates and procedures in effect during the Compensation Period. The rates Paul Hastings charges for the services rendered by its professionals and paraprofessionals in these chapter 11 cases are the same rates Paul Hastings charges for professional and paraprofessional services rendered in comparable bankruptcy and nonbankruptcy related matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy and nonbankruptcy cases in a competitive national legal market.

18. During the Compensation Period, Paul Hastings' hourly billing rates for attorneys rendering services in this matter in the United States ranged from \$395 to \$945 per hour and in London / Milan ranged from \$480 to \$1110 per hour.

19. Pursuant to the Local Guidelines, annexed hereto as Exhibit A is a certification regarding compliance with the Guidelines. To the extent necessary, Paul Hastings requests a waiver for cause shown of any Guideline requirement not met by this Application.

20. Pursuant to the UST Guidelines, the Summary Sheet filed in connection with this Application includes a schedule setting forth all Paul Hastings professionals and paraprofessionals who have performed services in these chapter 11 cases during the Compensation Period, the capacity in which each such individual is employed by Paul Hastings, the department in which each individual practices, the hourly billing rate charged by Paul Hastings for services performed by such individual, the aggregate number of hours expended in this matter and fees billed therefor, and the year in which each professional was first licensed to practice law.

21. Annexed hereto as Exhibit B is a schedule specifying the categories of expenses for which Paul Hastings seeks reimbursement, and the total amount for each such expense category. An itemized schedule of all such expenses is included in Paul Hastings' monthly statements, which have been provided to the Debtors, the Debtors' counsel, the attorneys for the Creditors Committee, the U.S. Trustee, and the Fee Committee.

22. Pursuant to the UST Guidelines, annexed hereto as Exhibit C is a summary of Paul Hastings' time records billed during the Compensation Period using project categories as hereinafter described.

23. Paul Hastings maintains computerized records, in the form of monthly statements, of the time spent by all Paul Hastings' attorneys and paraprofessionals in connection with the services rendered on the Debtors' behalf during these chapter 11 cases. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period, but were not processed before the preparation of this Application, Paul Hastings reserves the right to request additional compensation for such services, and reimbursement of such expenses in a future application.

#### **SUMMARY OF SERVICES**

24. During the Compensation Period, Paul Hastings rendered professional services in furtherance of the Debtors' reorganization efforts in these chapter 11 cases. The following is a summary of the significant professional services rendered by Paul Hastings during the Compensation Period. This summary is organized in accordance with the Uniform Lehman Billing Task Codes.

- **2300 -- Real Estate Matters.**

During the Compensation Period, Paul Hastings represented the Debtors in (a) asset management and liquidation activities with respect to loans and other assets, and (b) the negotiation of commercial real estate lease transactions, such as subleases, assignments, and amendments to existing leases. More specifically, Paul Hastings advised the Debtors in the following matters:

- **Brickstone Environmental Audit.** The Firm advised the Debtors and, as necessary, communicated with the Debtors' environmental consultants and representatives of the current property owner, regarding the respective

parties' environmental obligations relating to the Brickstone Square project in Andover, Massachusetts. Paul Hastings advised as to, among other matters, (a) the estimated schedule and costs for conducting and reporting of periodic groundwater monitoring and a pilot study being required by certain regulatory authorities, (b) Paul Hastings' review and comment on draft reports for submission to regulatory authorities, (c) protocols and authorizations for the submission of documents by the Debtor to regulatory authorities, and (d) responses to questions posed by the current property owner's environmental consultant.

- **Seneca.** Paul Hastings advised the Debtors in connection with the non-judicial foreclosure of the property, which was finalized on December 23, 2010. Paul Hastings continues to advise the Debtors on certain post-closing title matters for this project.
- **Schwartzman Bankruptcy.** Paul Hastings represented the Debtor in connection with various foreclosures, claims, settlements and proposed settlements and negotiations related to a series of joint ventures between affiliates of the Debtor and affiliates of David Schwartzman and a loan made by the Debtor to David Schwartzman personally. Such representation included the review and analysis of court filings and ongoing settlement negotiations with Mr. Schwartzman and his affiliates. The settlement closed on January 21, 2011. Paul Hastings continues to represent the Debtor on certain post-closing matters, which are winding down.
- **Project Condor / Marseille.** In connection with the Debtors' interest in the structured debt on Project Condor / Marseille, Paul Hastings reviewed and commented on borrower restructuring proposals and advised on various insolvency, tax, and enforcement concerns regarding a potential Lehman Commercial Paper Inc. investment in the equity. Additionally, Paul Hastings has begun to advise Lehman Commercial Paper Inc. on the possible sale of all or a portion of its interest to a third party.
- **Monet Real Estate Intercreditor Deed.** Paul Hastings advised the Debtors with respect to the negotiation of an intercreditor agreement between Lehman Commercial Paper Inc., as mezzanine lender, and Lloyds TSB, as senior lender.
- **Project RET.** Paul Hastings advised the Debtors with respect to a potential offer to purchase from Excalibur Funding No. 1 plc ("Excalibur") twelve separate debt assets held by Excalibur. Paul Hastings' services included analysis and advice on various market sensitive information points and preparing the offer.

- **Saphir.** Paul Hastings advised the Debtors with respect to a potential offer to acquire from the Bundesbank 100% of the public bonds it holds in the Saphir securitization, which in turn holds public bonds in the Windemere X securitization. Paul Hastings' services included research and advice on market sensitive data issues and analysis of various structures to hold the assets.
- **Calvino.** Paul Hastings advised the Debtors with respect to their interest, as lender, in a credit facility to a Dutch borrower owning units in an Italian unit trust. Paul Hastings services included (a) redrafting the facility agent replacement deed, (b) providing Italian law advice, (c) liaising with Dutch counsel to provide joint advice on various aspects of future enforcement, and (d) evaluating restructuring terms in connection with the proposed restructuring.
- **Caliburn.** Paul Hastings advised the Debtor in connection with its proposed joint venture acquisition with Lone Star of the A and B notes in a CDO vehicle, including the negotiation of a term sheet and a non-disclosure agreement.
- **Solaris.** Paul Hastings advised the Debtor in connection with (a) the transfer from Lehman Brothers Bankhaus AG to Lehman Commercial Paper Inc., London, of a subordinated loan advanced to Solaris S.r.l. in the context of a real estate transaction, and (b) the negotiations with Solaris S.r.l. and the other subordinated lenders of certain amendments to the original terms of the subordinated loan.
- **On the Avenue.** Paul Hastings represented the Debtor in negotiations with the borrower and manager of the On The Ave hotel in connection with the Debtor's position as mortgage and mezzanine lender on debt secured by the property and the borrower's equity. Paul Hastings negotiated terms for returning the property to the Debtor and for a new hotel management agreement.
- **2500 -- Derivative / SWAP Agreement Matters.**  
During the Compensation Period, Paul Hastings represented the Debtors in connection with various derivative trades between the Debtors and other entities and provided the Debtors with (a) mediation and mediation related services, (b) litigation and litigation related services, and (c) pre- and post-litigation and dispute resolution services. More specifically, Paul Hastings advised the Debtors in the following matters:
  - **MBIA Guarantee.** Paul Hastings advised the Debtor in connection with a dispute over a guarantee issued by MBIA to the Debtor.

- **MBIA Derivatives.** Paul Hastings advised the Debtor in connection with disputes over certain derivative contracts.

25. The foregoing professional services were necessary and appropriate to the administration of these cases and were in the best interests of the Debtors, the estates, the creditors, and other parties in interest. Compensation for the foregoing services, as requested, is commensurate with the complexity, importance and nature of the problems, issues or tasks involved.

26. The professional services were performed in an expeditious and efficient manner. The Firm achieved cost efficiencies by utilizing attorneys with (a) extensive expertise, experience, and knowledge in the fields of real estate and litigation, and (b) familiarity with the Debtors and their business operations.

#### **ACTUAL AND NECESSARY DISBURSEMENTS**

27. As set forth in Exhibit B hereto, Paul Hastings has disbursed \$3,013.94, as expenses incurred in providing professional services during the Compensation Period.

28. Paul Hastings' standard charge for photocopies is \$0.20 per page. For purposes of these chapter 11 cases, the Firm has reduced this charge to \$0.10 per page. Also, Paul Hastings customarily charges its clients \$1.25 per page for out-going facsimile transmissions. For purposes of these cases, the Firm has reduced this charge to \$1.00 per page. Actual long-distance carrier charges for outgoing facsimile transmissions are reflected in the long-distance telephone charges.

29. Regarding providers of on-line legal research (e.g., LEXIS and WESTLAW), Paul Hastings pays a fixed monthly fee. To allow the Firm to charge its

clients for the reasonable cost of actual searches performed on their behalf, the legal research vendors provide the Firm with the retail cost of the individual research sessions performed each month based upon their standard retail cost factors. In recognition of the average annual volume discount implicit in the Firm's fixed fee contracts, the Firm passes through the standard retail cost amounts less 10% to those clients for whom research sessions are actually performed each month. The Firm believes this is the most accurate way to bill those clients on whose behalf research is performed. Because the Firm believes that on-line research is far more cost-efficient than manual research using hard-bound volumes or courthouse record searches, the Firm encourages computerized legal research even though it is not a profit center for the Firm.

30. The time constraints imposed by the circumstances of the real estate and litigation matters handled by the Firm during the Compensation Period required Paul Hastings attorneys and other employees, at times, to devote substantial time during the evenings and on weekends to perform legal services on behalf of the Debtors. These extraordinary services were essential to meet deadlines, timely respond to inquiries on a daily basis from parties involved in the matter, and satisfy the Debtors' needs and demands. Consistent with Firm policy, attorneys and other Paul Hastings employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. Paul Hastings' regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the provision of legal services.

**THE REQUESTED COMPENSATION SHOULD BE ALLOWED**

31. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

- (3) In determining the amount of reasonable compensation to be awarded to an examiner, trustee under chapter 11, or professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including --
  - (a) the time spent on such services;
  - (b) the rates charged for such services;
  - (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
  - (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
  - (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
  - (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

32. In the instant case, Paul Hastings respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates during the pendency of these chapter 11 cases. The services rendered to the Debtors were performed economically, effectively, and efficiently, and the results obtained to date have benefited not only the Debtors, but also the Debtors' estates and the unsecured creditor body as a whole. Accordingly, the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

33. The work conducted was carefully assigned to appropriate professionals or paraprofessionals according to the experience and level of expertise required for each particular task. Whenever possible, Paul Hastings sought to minimize the costs of Paul Hastings' services to the Debtors by utilizing talented junior attorneys and paraprofessionals to handle the more routine aspects of the assignments. A small group of the same Paul Hastings attorneys was utilized for the vast majority of the work in this case, to minimize the costs of intra-Paul Hastings communication and education about the Debtors' circumstances. As demonstrated by this Application and the exhibits attached hereto, Paul Hastings spent its time economically and without unnecessary duplication.

34. In sum, the services rendered by Paul Hastings were necessary and beneficial to the Debtors, their estates, and their creditors and were consistently performed in a timely manner, commensurate with the complexity, importance, and

nature of the issues involved. Accordingly, approval of the compensation sought herein is warranted.

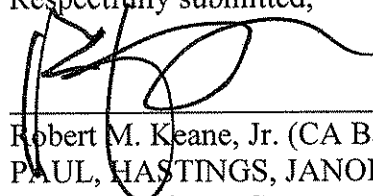

**CONCLUSION**

WHEREFORE, Paul Hastings respectfully requests entry of an order

(i) allowing interim compensation for professional services rendered during the Compensation Period in the amount of \$511,306.62, representing 100% of fees incurred during the Compensation Period, and reimbursement of \$3,013.94, representing 100% of actual and necessary expenses incurred during the Compensation Period; (ii) authorizing and directing the Debtors' payment of the difference between the amounts allowed and the amounts previously paid by the Debtors pursuant to the Administrative Order; (iii) allowing such compensation for professional services rendered and reimbursement of actual and necessary expenses incurred be without prejudice to Paul Hastings' right to seek such further compensation for the full value of services performed and expenses incurred; and (iv) granting Paul Hastings such other and further relief as is just.
